## Producers & Agricultural Business Owner Discussion Questions

Alexa J. Lamm & Pei-wen Huang<sup>1</sup>

After learning about the Florida Spring Initiative, it is important to engage producers and business owners' in conversations. Some questions you can ask to encourage a positive conversation are:

1. What do you think about water quality in Florida?
2. Do you think water quality is getting worse or getting better? Why?
3. Have you experienced any water quality issues? What was the issue(s)?
4. Why do you think the Florida Spring Initiative is important to protect water resources?
5. How can the Florida Spring Initiative improve water quality in Florida?
6. What do you believe are the largest issues facing you, as you strive to comply with the Florida Spring Initiative?
7. How will the Florida Spring Initiative impact your business?
8. How do you plan to deal with the impacts the Florida Spring Initiative has or will have on your business?
